RESPONSE TO RESTRICTION REQUIREMENT

U.S. Patent and Trademark Office
P.O. Box 2327
Arlington, VA 22202

Sir:

The Office Action mailed October 22, 2001 has been carefully reviewed and the following amendment has been made in consequence thereof. In response to the election requirement set forth in the Office Action, Applicants elect for prosecution in this application all claims of Group II as identified in the Office Action. Claims 5-16 are in the elected claim group.

The restriction requirement is traversed because the inventions set out by the claims in Groups I and II clearly are related. It is believed that a thorough search and examination of either claim group would be relevant to the examination of the other group. In addition, requirements for restriction are not mandatory under 35 U.S.C. Accordingly, reconsideration of the restriction requirement is requested.

This paper is filed by the undersigned, who is not presently an attorney of record, pursuant to 37 C.F.R. 1.34(a), MPEP 405, at the instruction of the attorney of record.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Robert B. Reeser III", written over a horizontal line.
